[Important Port/City Information](#)

Depart Amsterdam for a scenic drive to Keukenhof, Holland's world famous spring garden to experience the overwhelming explosion of colour from more than 7 million varieties of tulips and flowers. Keukenhof means "kitchen garden" and was originally a small noble's salad garden. Today, the garden has bloomed to include 80 acres of paved footpaths that traverse lawns, streams, lakes and pavilions featuring various exhibitions. The Keukenhof is Holland's best-known bulb display garden and is inspirational to the avid gardener, photographer and anyone who would enjoy a day out in a beautiful park setting.

Note: Walking is over various surfaces and at the guests' discretions during the approximate 2.5-hour visit to the gardens. There are approximately 4 - 6 steps to enter/exit the coach. Comfortable walking shoes, hat and sunscreen are recommended. Tour will operate in all weather conditions so guests should plan accordingly. There are limited shopping opportunities while at the gardens.

Note: Keukenhof is only opened from March 20th until May 18th.
